EXT. BAZZAR - DAY

ANNOUCER

At the bazaar!

A crowd parts to reveal PROHYAS singing and playing on his Accordian Magisword. A overturned cap with a few jemms is at his feet.

PROHYAS

Ohhhhh, there's nothing really tougher, than being a street busker, but business has been lousy, and I cannot afford mustard!

OLD MAN OLDMAN

Boo! You stink!

OLDMAN throws a small pot at Prohyas' head (ala Zelda), shattering instantly. Some gemms fall out.

PROHYAS

Owww! (picking up gemms) Ooh, thank you!

The crowd disperses, unsatisfied by the spectacle. Prohyas continues rubbing his sore head and calls out to VAMBRE.

PROHYAS (CONT'D)

Any luck on your end sis?

WOOSH OVER TO

Vambre on a stool conducting a ventriloquist act with DUMMYSTEIN. Seated at her feet are a dozen kids.

VAMBRE (AS DUMMYSTEIN)

What do you call adorable, yet unwilling to spend money? This audience!

A kid boos and a few tomatoes are thrown (and miss). Prohyas walks over with an authoritative finger thrust in the air.

PROHYAS

"Cute" won't cut the mustard I'm afraid, which I'm too poor to own!

VAMBRE

What we need is a benefactor!

PROHYAS

You're a bean counter!

SNAX
 This Automatic Dishwashing
 Magisword will be yours upon
 delivery. There's just a teensy
 hitch.

Quick cut to Prohyas:

PROHYAS
 Wasdat?

FÜD
 Snax can NOT find out about the
 Root Basket.

Vambre again:

SNAX
 Füd can NOT find out about the Root
 Basket. If they do:

Split-screen: we see both Magimobiles.

FÜD	SNAX (CONT'D)
No Magisword!	No Magisword!

The Magimobiles power off simultaneously.

BAZZAR - MOMENTS LATER

Prohyas and Vambre reunite.

PROHYAS	VAMBRE
Off to the Sheepy Jungle!	Off to the Sheepy Jungle!

VAMBRE (CONT'D)
 Hold a tic! Both of us got the same
 mission? Is there a Magisword in it
 for you too?

PROHYAS
 Correct! And might I add, "amundo."

VAMBRE
 Which means only **one** of us is
 getting a Magisword. How do we
 decide?

PROHYAS

A friendly compe-tish-e-on. First
to the Root Basket wins! And I'm
sure that won't mess us up!

CUT TO:

TITLE CARD: IT TOTALLY WILL

ANNOUCER

It totally will!

CUT TO:

EXT. SHEEPY JUNGLE - DAY

ANNOUCER

In the mighty Sheepy Jungle!

Vambre and Prohyas whack through wooly vines with the
Chainsaw and Parrot Scissors Magiswords.

VAMBRE

Och! Why is it always so muggy
here?

PROHYAS

And smelly too. Oh wait that's just
him.

WE FOLLOW
PROHYAS'S
POINTING FINGER:

It's the dreaded WOOLY HAMMOTH, a furry pig-like monstrosity!

The Hammoth roars yarn-like spittle onto the warriors' faces.
They shake it off and run for their lives!

SHEEPY JUNGLE - CONTINUOUS

PROHYAS

If I get to the Root Basket first
I'll have my Magisword! FRIENDLY
COMPETITION! (To Vambre) Hey sis!
Fall back and take care of this
mook!

VAMBRE

Actually I was thinking you could fight him and I could get the Root Basket.

PROHYAS

(To self) Oh she's good.

VAMBRE

Well do something quickly!

PROHYAS

What's quick what's quick? Got it!

Prohyas pulls out the Raincloud Magisword

ANNOUCER

Raincloud Magisword!

With a loud cloudburst a shower pours down on the rampaging Hammoth. A moment later it shrinks to miniature size. No longer a threat, it runs away squealing.

PROHYAS

I did it sis! Sis?

But Vambre is nowhere to be found. Prohyas' Magimobile begins to ring and he takes the call.

Füd appears on screen.

FÜD

Just checking in! Any luck acquiring that little Root Basket?

PROHYAS

Well actually we, I mean I just was in a battle--

FÜD

Is Vambre with you? I'm afraid I have some bad news sugar. She may be... compromised!

PROHYAS

Say it ain't so!

FÜD

It's true! Your sister might be trying to ruin my surprise. Keep her away from that basket.

PROHYAS

Or no Magisword?

FÜD
NO MAGISWORD!

She yells so loudly it blows back Prohyas's hair.

CUT TO:

EXT. JUNGLE TEMPLE

In the distance we see birds flying from the jungle canopy as Füd's explosive yelling scares them away.

In the foreground Vambre, who has beaten Prohyas to the TEMPLE, is struggling to lift up a giant stone door.

VAMBRE
(breathlessly) Let me in I need
that Root Basket and by extension
that Magisword!

Prohyas runs up out of breath.

VAMBRE (CONT'D)
Oh I guess if you're here you can
give me a hand.

Struggling, Vambre and Prohyas pull up the giant stone door.

PROHYAS
Great, I'll go first.

VAMBRE
Don't be silly, I should go first.

PROHYAS
It's been fun, but I gotta run!

Prohyas makes a go for it and Vambre almost drops the door.

JUNGLE TEMPLE - INT

Prohyas is running at full sprint but looks back to see his sister hot on his heels.

We see Prohyas go over a pressure panel & he notices only *just in time* to dodge a huge spiky wooden ball on a chain.

Vambre jumps to the side to avoid the ball trap.

VAMBRE
You almost hit me!

PROHYAS

Oh did I?

Prohyas begins to intentionally trigger booby traps to slow Vambre down.

VAMBRE

You're! Doing! That! On! Purpose!

Vambre rummages in her bag and pulls out the Gummy Sticky Hand Magisword

ANNOUCER

Gummy Sticky Hand Magisword!

The Root Basket is just ahead of Prohyas on a pedestal. He can almost taste it! Running, he reaches out with both hands.

But we realize he's running in place: the Gummy Sticky Hand Magisword is holding him back!

Vambre jumps ahead.

VAMBRE

Toodles brother!

INT. JUNGLE TEMPLE INNER CHAMBER

The golden Root Basket (a tangle of thick plant roots in a wicker basket -- there's even a tag attached) is sitting on a stone pedestal. It glows in the half-light of the gloom.

Vambre slides up from behind it and carefully tries to nab it (ala Raiders of the Lost Ark). Sweat is pouring down.

With a dainty grab, it's off the pedestal.

VAMBRE

The Root Basket *and* the Can Opener Magisword is mine! Are mine? I'm in a grammatical bind.

PROHYAS

More like a fanatical mind!

Prohyas steps out from the shadows looking upset.

VAMBRE

Excellent burn... (realizing) Och! I'm sorry, I've been feeling extra competitive today.

PROHYAS

Vam, I think it's time we come clean.

VAMBRE

(sobbing) It's true! I was the one who ate the plums that were in the icebox! I'm a monster!

PROHYAS

No I mean about this mission.

As Prohas speechifies the chamber begins to rumble.

PROHYAS (CONT'D)

We've been so caught up in the chase for our own Magiswords we've forgotten to work together!

Vambre sees something Prohas doesn't and tries to get his attention.

VAMBRE

Excuse me, Brother...

Prohas prattles on as a huge shadow eclipses them both.

PROHYAS

And if we aren't working together, are we really Warriors?

VAMBRE

BROTHER!

PROHYAS

Hey it's rude to interrupt!

Vambre forcibly twists his head around to see:

A giant STONE GUARDIAN is looming over the siblings. The three have a brief, tense standoff.

As if to make a point, the Stone Guardian smashes the pedestal into a cloud of dust.

The warriors cough and wave the dust away.

PROHYAS (CONT'D)

(To Vambre) Are you gonna run this time?

Prohas clocks the basket in her hands. She looks down at it and then back at him.

VAMBRE

Oh, I never run from a good fight.

Prohyas and Vambre pull out the Jack Hammer Magisword and Ground Pound Magiswords, respectively.

ANNOUCER

Ground Pound Magisword! Jack Hammer Magisword!

The two strike an awesome pose. THEY ARE READY!

In response the Stone Guardian's hands transmogrify into giant stone hammers. It pops its fists together twice: BAM BAM! Fight's on!

The Stone Guardian makes the first move and brings its fists down on the siblings but they each run in opposite directions.

Vambre, who's still holding the Root Basket shakes it at the Stone Guardian defiantly.

VAMBRE

Look what I have!

All of which makes the Stone Guardian very upset! It goes in a straight line after Vambre.

VAMBRE (CONT'D)

Now's your chance!

Prohyas does a flying leap towards the Stone Guardian!

CUT TO:

The Stone Guardian lunges towards Vambre and stops -- it's been hit from behind by Prohyas' Jackhammer Magisword. Ow! It rubs its bottom in pain.

VAMBRE (CONT'D)

Prohyas, catch!

Vambre tosses the Root Basket to her brother who holds it underarm like a football. The Stone Guardian chases behind!

Prohyas runs towards a trio of statues and hides. We don't see behind which one.

The Stone Guardian quickly inspects the statues and starts smashing them one by one. Smash! Nothing. Smash! Nothing. There's only one statue left!

Somebody taps the Stone Guardian on the shoulder with a giant stone finger.

It turns around to reveal Vambre with the Ground Pound Magisword, which she uses to uppercut the Stone Guardian!

It goes flying and skids across the chamber and smashes against the wall sending bricks and debris onto its head.

Prohyas gets up woozily from the rubble of the second smashed statue -- guess he got smashed after all!

The Stone Guardian begins to rise up again.

PROHYAS
Vam, let's do it.

VAMBRE
Together!

They hold their Magiswords aloft

ANNOUCER
Jackhammer Magisword! Ground Pound
Magisword!

PROHYAS	VAMBRE
Super Teamwork Combo! Rock Clobber!	Super Teamwork Combo! Rock Clobber!

The siblings combine their Magiswords into a stony fist with drill knuckles! Nasty!

The Super Teamwork Combo extends out towards the Stone Guardian which tries to protect its face but BAM! Direct hit -
- it crumbles into a pile of dumb rocks.

But before they can celebrate, the entire temple starts to shake apart. They put away their Magiswords and make a run for the exit.

JUNGLE TEMPLE - INT

Vambre leads while Prohyas - still with basket underarm - lags just behind.

Just ahead they can make out the light of the exit.

VAMBRE
Just a bit further!

PROHYAS
Wait for me! Oof!

Prohyas trips on a gnarled root and falls forward. The ground beneath him cracks and opens up.

Vambre sees the exit begin to fill up with boulders, but it's not even a question: she grabs Prohyas's hand.

But he's dropped the basket just below him almost in reach! He looks back and forth between Vambre and the basket.

PROHYAS (CONT'D)
Which one do I choose?!

VAMBRE
You don't have to choose! We have
Magiswords silly.

Vambre swings the Electric Eel Magisword picking up the Root Basket. She pulls Prohyas up from the cliff.

PROHYAS
Oh yeah!

And they're off and running again. There's no time left!

JUNGLE TEMPLE - EXT

The siblings leap out of the cave just as the last boulder falls into place.

They catch their breath. Prohyas holds the Root Basket in triumph.

PROHYAS
We got it!

VAMBRE
Delivery time!

CUT TO:

TITLE CARD: LATER AT THE PLACE

ANNOUCER
Later at the place!

FÜD AND SNAX'S HOUSE - EXT

Hanging above the door is a "Happy Anniversary" banner.

VAMBRE
We're here bearing gifts! Gift!
